**Effects on the Company’s Business Activities and Company’s Growth**

The Share Buyback is expected to stabilise the Company’s share price in time to come, given that the current share price does not reflect the Company’s fundamentals and prospects. By way of the Share Buyback, the Company expects its share price to move positively.

The Company believes that the Company’s Share Buyback will not have a materially negative effect on its business activities, given that the Company holds sufficient working capital and cash flow to simultaneously fund the buyback transactions and undertake its business activities.

**COMPANY’S PLAN FOR THE REPURCHASED SHARES**

The Company proposes to hold the repurchased shares as treasury shares as governed in Article 12 of the Regulation of the OJK No. 2/POJK.04/2013, where it is stated that in the event the Company still held shares acquired from share buyback for a period of 3 (three) years since completion of a Share Buyback Exercise, the Company must transfer such shares acquired from the share buyback within a period of 2 (two) years. In the event the Company is unable to finish the required transfer process, the transfer must be completed no later than 1 (one) year after the transfer period stated above.

After 30 days since the end of the buyback period, the Company may transfer the repurchased shares with due consideration to prevailing legislation, in particular Article 9 of the Regulation of the OJK No. 2/POJK.04/2013, by way of:

a. Disposing back to the market through the Stock Exchange and outside of the Stock Exchange;
b. Cancelling by reduction of capital;
c. Exercising an Employee Stock Option Plan or Employee Stock Purchase Plan;
d. Converting debt into the Company’s shares; and/or
e. Exercising warrants.

Shares repurchased by the Company may not be used to cast votes in a General Meeting of Shareholders and is not counted to meet the minimum meeting quorum as governed in prevailing legislation. Furthermore, such shares are not entitled to dividend distributions.
