Subject : Clarification concerning News in Mass Media

Dear Sir/Madam,

In response to the letter from PT Bursa Efek Indonesia No. S-01490/BEI.PP2/03-2018 dated 13 March 2018 concerning its Query on News in Mass Media, the Company wishes to submit the following clarifications:

1. We confirm that the Minister of Public Works and Public Housing (PUPR), Basuki Hadimoeljono has sent a letter to the Minister of State-owned Enterprises, Rini M. Soemarno on recommendations based on the evaluation by the Construction Safety Committee (*Komite Keselamatan Konstruksi, K2*) on a number of occupational incidents that occurred some time ago.
2. The recommendations from the Minister of PUPR to each of the four Construction SOEs (*BUMN Karya*) carry different levels of severity and substance. The Construction SOEs involved are PT Waskita Karya (Persero) Tbk., PT Hutama Karya (Persero) Tbk., PT Adhi Karya (Persero) Tbk., and PT Wijaya Karya (Persero) Tbk. ("Company").

The recommendations from the Ministry of PUPR for the Company based on evaluation by the Construction Safety Committee (K2) were only on evaluation of project management.

3. Furthermore, the moratorium on elevated construction work by the Ministry of PUPR on 20 February 2018 was followed by an inspection and verification of planning documents, review of designs, review of expert and skilled workers, and inspection of heavy equipment and its operators; testing of materials and equipment; inspection of SOP, construction methods, and construction permits and its documentation/attachments. The inspection and verification was conducted by the National Construction Safety Commission (*Komisi Keselamatan Konstruksi Nasional, K3N*) and Long-span Bridges and Road Tunnels Safety Commission (*Komisi Keamanan Jembatan Panjang dan Terowongan Jalan, KKJTJ*).

Number : SE.01.01/A.SEKPER.4301/2018

On Sunday, 25 February 2018, the Company was then declared to have satisfied the audit and deemed fit to receive the permits to continue the following elevated construction projects:

- a. The Jakarta LRT Project received the permit to resume construction as stated in the minutes signed by the Director of Bridges under the Directorate General of Highways; Head of the Office of Road Bridges and Tunnels; Road Bridges and Tunnels Safety Commission; PT Jakarta Propertindo's Project Manager, and the Company's Management, designers, subcontractors, and supervising consultants.
 - b. The Section II B of the Bogor Outer Ring Road (BORR) Project received the permit to resume construction as stated in the minutes signed by the Director of Bridges under the Directorate General of Highways; Head of the Office of Road Bridges and Tunnels; Road Bridges and Tunnels Safety Commission; PT Marga Sarana Jabar's Directors, and the Company's Management, designers, subcontractors, and supervising consultants.
4. The Company is committed to complete every project that it was entrusted with while delivering service excellence and maintaining safety.

We thank you for your kind attention.

Sincerely Yours,

PT Wijaya Karya (Persero) Tbk
Corporate Secretary
